100% amazing

S Series OtoLens by Starkey

Think hearing aids should be heard, not seen? Then the new S Series OtoLens by Starkey is for you.

OtoLens is the first custom fit invisible-in-the-canal hearing aid, featuring the latest, most advanced technology on the market today — meaning it's completely invisible, and totally designed to fit your lifestyle.

OtoLens is the hearing aid for people who say, "You'll never see me wearing a hearing aid."

introducing:

OtoLens[™]
Featuring Voice iQ

BEST OF BOTH WORLDS.

That's because OtoLens fits comfortably inside the second bend of your ear canal—completely out of sight and completely off your mind.

Don't be fooled by its small size. Only OtoLens comes packed with Starkey's industry-leading technologies, including the world's best feedback canceller and the smartest noise reduction and speech preservation system ever developed. The result is a 100% invisible hearing aid that delivers the ultimate in:

performance

Utilizes Starkey's industry-leading technologies to help eliminate feedback and reduce listening effort.*

comfort

Fits snugly in the second bend of your ear canal, and uses the ear's acoustics for natural sound quality.

personalization

It's the first invisible-in-the-canal hearing aid custom fit specifically for your ears and hearing needs.

Now you don't have to put off getting help for your hearing because you're self-conscious about wearing a hearing aid. With OtoLens, you can hear better and no one will ever need to know why.

Consumers are asking for the first completely custom fit invisible hearing aid.
